A Decade of Dinners

It all started in 2015. On that first night, we gathered in a home with a few friends, ate dinner, and worshiped together. **10 years later**, we're still going strong and have expanded into 4 thriving ministries.

Anxiety, depression, isolation, and a mass exodus from the organized church are at the highest rates in history. **Our answer is to keep gathering.** We are seeing salvations, freedom, unity across denominational lines, a desire for real discipleship, and a hunger to learn who Jesus really is.

We gather to serve the lost, the broken, the outcast, the hungry, the weary, the confused, and the hurting. **Will you join us?**

\$150,000 in 2025

We need your help! For the past 9 years, these ministries have been fueled purely by volunteer hours. We want to be good stewards of all that God has entrusted us with. **Our first step is to *finally* hire our founder, Whitney Drummond.** To fund all four endeavors and hire Whitney, **our goal is to raise \$150,000 for the year.**

\$2 covers someone's meal at Feast

\$500 funds an entire Feast gathering

\$5500 funds an entire year of Feast gatherings

God is not done. Our invitation is this:

Would you join us in our mission to serve and care for the young people of Raleigh?

TAB CO exists to disciple young people out of the culture of this world and into the culture of Jesus.

We provide safe environments for young people to encounter Jesus together with others.

We are contending for a harvest of wholehearted and deeply rooted young people, united in a counter-cultural movement to bring the kingdom of Heaven to their communities, campuses, and cities.
